**Mandala invitation:** We meet monthly to play our drums in a sacred circle connecting with the pulse of Life and our own heartbeats as we hold our intentions in gratitude and love. While the gatherings are physically held in Houston and surroundings, we extend this invitation globally to all of you that cannot be with us in person. The global Mandala is placed under the empowering Powwow drum during the ceremony, bringing us all together in one Heartbeat around to world. Thank you for joining us! ❤️
