Join Don Eduardo and Mariela for an introduction on Andean Cosmovision and the Munay-Ki Rites, powerful energy transmissions (Karpays) of the Q'ero lineage from Peru. One of the rites each participant will receive is the Pampamesayoq Karpay, an initiation to heal the inner feminine. This rite, called Daykeepers in the Munay-Ki, connects us to the lineage of healers helping us to step beyond fear and bring healing, beauty and balance to Mother Earth.
