

Don Eduardo is returning to Houston

from March 10 to 13, 2017

He is looking forward to be with his many friends in the area. His work as a Q'ero Shaman from the Peruvian High Andes has enabled him to travel outside of his native Peru in recent years and he is very happy to once again share the energy and wisdom of his lineage with our community in a Despacho Ceremony, through transmission of Karpays and in private healing sessions.
